

## **Definition of Instructional Strategies K-4**

**Targeted Instruction** - Classroom differentiation is combined with individualized options beyond the regular classroom with extended instruction to meet the needs of students who are assessed at the 99<sup>th</sup> percentile on SIGS and SAGES. The Elementary Enrichment Resource teacher coordinates these opportunities with the classroom teacher. Examples in grades K-4 include:

- Online courses with advanced curriculum
- MyBigCampus groups and projects with advanced, alternative or accelerated curriculum
- Advanced or alternative curriculum materials such as M3 Math
- Subject acceleration
- Mentorship
- Independent study, research or projects
- National competitions
